As the nation's largest dedicated crime scene cleanup company, Aftermath Services LLC proudly recognizes the contributions made by K9 officers and their partners. In an effort to provide law enforcement with access to this valuable resource, Aftermath created the annual K9 Grant to help offset the cost of creating or maintaining a K9 program. Each year, law enforcement agencies from around the U.S. are encouraged to participate in the competition by gathering votes through word-of-mouth, social media, and local news outlets.
