## Aftermath Referral Program FAQ

### What is the Pay It Forward Aftermath Referral Program?

The Pay It Forward Aftermath Referral Program (ARP) is our way of showing appreciation to partners who provide our information to families in times of need. The program is designed to support the families and communities in which we both serve.

For each family that signs for Aftermath's services, we will donate funds to a charity of your choice. Alternatively, you can also elect to have your contribution be donated to the Aftermath Funeral Directors Scholarship. The Scholarship provides need-based financial awards to students who are currently enrolled or will be enrolled in a funeral service or mortuary science program in the United States.

### Pay It Forward Options:

**Charity of Your Choosing:** The donation will be made in the funeral home's name approximately 30 days after the family has signed for services.

**Aftermath Funeral Directors Scholarship:** A nationwide, need-based scholarship available to students who are currently enrolled or will be enrolled in a funeral services or mortuary science program.

Scholarships are applied directly to the student's tuition charges after certification of enrollment is received from the college involved. Students may apply once per calendar year for consideration.

Scholarship awards are made by the Aftermath Scholarship Committee. Winners are selected based on the on the letter of application and level of financial need.

### How does the program work?

Join the Pay It Forward ARP program by filling out our physical or online form.

- Enroll online (<http://bit.ly/PIF-ARP>)
- Email [ARP@aftermath.com](mailto:ARP@aftermath.com) to request more information; or
- Call us at 888-970-2600 (for non-dispatch services, a program specialist will return your call within 1 business day).

Once enrolled, you will receive a welcome packet with information to pass on to families, and details about the Pay It Forward ARP program, and your account code. Your personalized account code will allow us to seamlessly track and service families you refer with the highest standards of service and compassion.

When providing Aftermath's information to families, please make sure they reference the account code or list you as the referral source. Once the account code or source has been identified, we will provide updates on whether the referral becomes a signed service. Once services are signed, we will process the donation within 30 days. The amount donated is determined by the scope of service signed by the family.

### What are the Pay It Forward Donation Tiers?

Bio Removal = \$50

Bio Safe = \$250

Bio Home = \$500

### How will I know how much I've contributed?

We will email periodic updates on the amount contributed to your charity or to the scholarship. You will also receive an annual report on the year's charitable contributions and scholarship awards.
