Aftermath Services Acquires Florida Biohazard Experts Accident Scene Cleaners

Florida trauma scene cleanup company to join Aftermath family

AURORA, IL, April 5, 2021—Aftermath Services, the Illinois-headquartered nationwide leader in the biohazard remediation space, is proud to announce the acquisition of [Accident Scene Cleaners](#), a Florida biohazard cleanup company that has been servicing communities throughout Florida's eastern coast since 2003.

"Accident Scene Cleaners and Aftermath have a lot in common," said Doug Berto, CEO of Aftermath. "It is readily apparent that they possess the same dedication to discretion, professionalism, and compassion that we do. Their years of service, adherence to proven safety and compliance protocols, and high-level of customer service make them an integral part of the communities they serve. We are proud to welcome Accident Scene Cleaners, and its founder, Brian Warren, to the Aftermath family."

"I am proud to join the Aftermath team," said Brian Warren, CEO of Accident Scene Cleaners. "With Aftermath's vast resources, together we will be able to serve and assist even more families and communities in Florida."

This acquisition is the most recent development in Aftermath's ongoing initiative to acquire local, successful biohazard remediation companies with shared core values, a trustworthy reputation, and value add to their communities.

With the addition of Accident Scene Cleaners, Aftermath has broadened its presence to effectively cover the entire state of Florida with five dispatch locations and ten mobile units. The scale and expertise of the combined companies will provide expanded benefits and support to families, businesses, and communities who have experienced a tragedy or loss, and more importantly, enable them to quickly and safely get back into their homes or businesses.

About Accident Scene Cleaners Inc.

Accident Scene Cleaners, Inc.[®] was established in 2003 and has extensive experience dealing with blood-borne pathogens and other potentially infectious materials. As one of the leading firms in South Florida, its staff has the experience and expertise to safely provide all phases of biohazard remediation services.
