Aftermath Services Announces 2021 K9 Grant, Awarding \$25,000 to Local Law Enforcement Agencies

Annual grant gives back to law enforcement by providing training and equipment

AURORA, IL | October 11, 2021 – For over 10 years, the Aftermath K9 Grant has given back to police departments, sheriff's offices, and first responder units across the country by awarding grants that are used to offset the costs associated with creating, running, and maintaining a K9 unit.

We are excited to announce the start of the 2021 Aftermath K9 Grant on Tuesday, October 12, 2021. Nominations for the grant will run from October 12-15 and are open to any law enforcement or first responder agency (police, fire/EMS, coroner, etc.) in the United States.

Starting on October 19, 2021, communities across the country will vote to determine who receives grants totaling \$25,000. Votes can be cast once per day online at [aftermath.com/k9grant](https://www.aftermath.com/k9grant) or on our social media platforms (Instagram-@aftermathk9grant, Facebook-@aftermathcares).

The grant competition's schedule is as follows:

- **Nomination Period:** October 12-15
- **Voting Period:** October 19-26
- **October 28:** Winners Announced

Since the beginning of the K9 Grant, Aftermath has awarded almost \$250,000 in grants to K9 units nationwide. To view grant rules, find out how to vote, and browse past winners, visit www.aftermath.com/k9-grant.

About Aftermath Services LLC

Aftermath Services is the premier provider of trauma cleaning and biohazard remediation. Since 1996, they have provided professional and compassionate services to families, communities, and businesses after traumatic events. They believe that their customers deserve the highest quality service while being treated with dignity and respect. Aftermath has pioneered a sophisticated, science-based approach to remediation that protects the health and safety of people and restores property after tragedies. With over 35 dispatch locations nationwide and emergency response 24/7/365, their qualified and certified crime scene cleanup professionals are able to help customers with a full range of biohazard remediation and cleaning assistance, including: homicide,

suicide, unattended death, personal or industrial accidents, tear gas, and communicable disease outbreaks. For more information about Aftermath, visit www.aftermath.com.
